EAST / WEST Project is a nonprofit initiative that encourages cultural exchange by establishing short term project spaces for international artists to share, develop and progress contemporary ideas.

Traveling annually to a different city with an unique emerging art identity, EAST / WEST Project provides leading contemporary art communities with worldwide access to each other, the ability to collaborate and a physical axis for developing ongoing cultural dialogue.

Founded by pioneers of the highly recognized emerging art scenes of Williamsburg, Brooklyn and Portland, Oregon, EAST / WEST Project supports the advancement of global understanding through initiating long term relationships among multinational cultures.
